# Horizontal 1RU Patch Cord Manager

This horizontal 1RU patch cord manager provides an effective solution for patch cord storage and routing within a 19" rack.

Durable steel construction, sleek appearance and excellent cable storing characteristics present an effective product for network cable routing.

Applications

- Data centres, premise installations, telecommunication networks
- Ethernet, Fibre Channel, ATM, LAN and WAN
- Data communication
- Indoor applications

Features & Benefits

- Robust powdercoated steel construction ensures product longevity
- Excellent ring capacity allows for management of a large number of leads
- Compact 1RU height allows for installation in busy telecommunications server racks
- Fits any standard EIA 19' server rack or cabinet

Part Number	FOS-PCM-1U
Description	Horizontal 1RU Patch Cord Manager - 5 Ring
Dimensions WxHxD (mm)	482 x 44 x 85
Weight (kg)	0.5
Material & Colour	Satin black powdercoated 1.6mm Steel

Active | Passive | Test Equipment | Tooling | Cable | Fibre Management
